The Rules

1. The CBR13 Book Bingo Reading Challenge begins on Thursday, July 1, 2021 and ends at 11:59 p.m. EST on Sunday, October 31, 2021. Only books that have reviews posted during this time period count towards completing a bingo. You can begin the reading challenge at any time during this period.
2. Books must have been read during 2021.
3. You must [tag the review](#) on cannonballread.com with **cbr13bingo** and **not** any other variation. When using the autofill, make sure you are selecting **cbr13bingo**. Please do not add the ‘#’ in your tag, just the text **cbr13bingo**, all one word.
4. All squares can be fiction or non-fiction, graphic novel, audiobook, and any genre. Fanfiction is fine for any square except for the squares that specify the image on the book cover.
5. If a square requires an image on the book cover, include an image of the cover in the review. These are marked with this symbol: 📷. For example, *Station Eleven* has one cover with tents under a night sky, which would not fit any square, but it also has a version with a cover that is a deer in front of a cityscape, which would fit **Fauna** or **Cityscape**. If adding images is difficult for you, please let us know via the [Contact Form](#).
6. Follow the bingo card graphic above to make your book choices.
7. Once a square is crossed off, it’s crossed off for good! (Feel free to print the bingo card to keep track.)
8. **Bingo:** Complete a horizontal, vertical or diagonal line and receive one entry into our prize drawing raffle. Four corners plus center square counts as a bingo too.
9. **Ring Bingo:** Complete the 8 blue/green squares for a bingo.

10. **Blackout Card:** Complete all 25 squares and receive 2 additional entries into our prize drawing raffle.
11. In your review, state which square the book fulfilled, either at the top or the bottom of the review. Please make it easy to find!
12. Please state in the review how the book fulfills the category. Some categories are subjective, and some are more specific. Some books will be self-explanatory, but some, like **Free!...** need a sentence such as, "I found this book in a Free Little Library" or "I borrowed this book from a friend."
13. Select your first square carefully. You can only start a new board if you have completed a full bingo board, a blackout (See #10). If you realize you have labeled a review in error after publication, please email rochelle at cannonballread dot com and let her know.
14. **Reader's Choice:** This is a "floating" square that you can use to skip one category and review the book of your choice instead. Only one floating square may be used per player per card. You must review a book for this square, but you don't have to follow the category/topic. Please state which square you are replacing with "Reader's Choice" at the top or the bottom of the review.
15. One book fulfills one square. If a book can fit multiple squares, pick the one that works best for you.
16. All [Cannonball Read rules](#) apply to the CBR13 Book Bingo Reading Challenge.

Prizes

By completing each bingo, you'll receive one entry into our prize drawing to be held after October 31. Complete all 25 squares and receive 2 additional entries into our prize drawing raffle (for a total of 16 entries).

In this year's raffle prize, we are offering one lucky winner two prizes: their choice of CBR gear (select from any color [classic Red Bubble t-shirt](#), any size [tote bag](#), or the [water bottle](#)) AND a choice of \$25 gift certificate to the bookstore** of their choice or an Amazon gift card.

**Bookstore must sell online gift cards.
